For Immediate Release

Square 9® Softworks Earns Continuous Recognition on National and Local Levels
Featured on Inc. 5000 List of America's Fastest-Growing Private Companies,
Connecticut's Marcum Tech Top 40

NEW HAVEN, CONN., September 5, 2017 – Announced today, Square 9® Softworks, developers of award-winning Enterprise Content Management (ECM) solutions, has once again been acknowledged for its rapid growth trajectory with two recent awards in 2017. For the fourth consecutive year, Square 9 has been recognized by Inc. Magazine on its annual list of the 5000 fastest growing privately held small companies in America. Square 9 has also marked its fifth straight year as a Marcum Tech Top 40 winner, an event celebrating the fastest-growing technology companies in Connecticut.

In evaluating the winning companies, Inc. took a comprehensive look at independent entrepreneurs across America, compiling percentage revenue growth over a three-year period. Averaging over 34% growth for each of the last four years, the recognition of Square 9's continuous growth pattern has ranked the company as Inc.'s #18 fastest-growing company in Connecticut. As such, Square 9's sustained success was again recognized by the Connecticut Technology Council as a Marcum Tech Top 40 award winner.

"We are very fortunate to again be recognized in 2017 for our efforts and continued success," stated Stephen Young, President and CEO of Square 9 Softworks. "A continuous pattern of strong growth is never a given in any industry, and we are certainly grateful for the support we have received in the marketplace. Based on the strength of our people, our products and our channel partners, we believe we're positioned to continue this pattern of growth well into the future." Young added.

The complete list of 2017 Inc. 5000 winners, including Square 9's ranking and company profile, can be seen by visiting www.inc.com/inc5000/list/2017.

About Square 9 Softworks
