

Want to Attend Encompass 2018? Here's How to Convince Your Boss

If you are familiar with Square 9, a leading developer in document management solutions, then you are also familiar with their annual [Encompass Conference](#), a premier information management event like no other. Encompass 2018 provides a forum for unique education, innovative philosophies, industry best practices and learned experiences revolving around Square 9's solutions. With so much in store for this year's event, we want to make sure you don't miss out, and that's why we've provided you with the tools to help get you there!

We all know how hard it is to make time to get out of the office to attend a conference, and even harder to get approval. While the best business case for attending Encompass 2018 is the wealth of actionable knowledge you will bring back to your office and be able to apply immediately, we've outlined 5 additional reasons to help convince your boss and justify your attendance for this year's conference.

Exclusive Education

Attend exclusive educational sessions designed to enhance your knowledge and expertise in Square 9 solutions, allowing you to make an immediate impact. Learn how to get the most out of your [ECM software](#) investment by learning best practices and new methods for collaboration.

Network & Connect

Network with hundreds of peers and other Square 9 customers to hear their successes, shared best practices and how they have leveraged GlobalSearch [document management software](#) in their organization to improve their business processes and solve business pains.

Product Enhancements

Get familiarized with the latest product releases and innovations, providing insight into all the new features and functionalities that are offered. Explore what the future holds for web and cloud-based strategies within information capture and distribution and how it will impact your business.

New Insights

Participate in the technology showcase to learn about other software solutions that can complement your current solution. Get exclusive demos and see up close how Square 9 solutions integrate with some of the biggest names!

Get Questions Answered

This is your chance to stay relevant and ahead of the curve within your industry! Speak one on one with Square 9's technical and executive management experts and get all your questions answered while gaining insight into the future of new solutions.

After returning from Encompass 2018, you will be able to share the knowledge gained and develop a plan to expand your solution, making other departments processes more efficient. Don't miss out on your chance to take your organization's ECM investment to the next level. If that's not enough to convince them, by registering before July 31st, you can take advantage of the limited time [early bird rate!](#)

Marketing Specialist, **Allison Kiely**, is the voice behind this week's Square 9 Softworks's blog article. Committed to communicating today's common challenges in paper-based processes, Allison provides in depth analysis into the document management industry and the solutions that accommodate the needs of end user communities.
