ECM Leader, Square 9 Softworks, Recognized with Numerous G2 Awards Including Best Support
Reviews Indicate Square 9 Solutions Lead the Market

NEW HAVEN, CT, April 4, 2023 - Square 9 Softworks®, an award-winning solutions developer known for simplifying document-related tasks has been recognized by G2 as a leading developer of solutions for Enterprise Content Management (ECM), Optical Character Recognition (OCR), and Business Process Management (BPM), receiving industry leader awards in these categories for the spring quarter of 2023.

Square 9 was also recognized as a high performer for ECM and onboarding during this same quarter for both the small and midsized business markets.

G2 is an independent review website, providing unfiltered, unbiased, and validated reviews to businesses looking for software solutions. G2's Grid Reports for these solutions show products ranked by customer satisfaction and market presence.

In addition to these awards influenced by real solutions users, Square 9 was also recognized for its ease to do business with as well as its quality support and its fast implementations in the small and midsize business markets respectively.

"Being recognized as leaders within G2 for multiple solutions is highly significant for the Square 9 team," says President and CEO Stephen Young "These reports are based on reviews by real customers and partners who recognize our dedication to innovation, professionalism, and customer satisfaction."

About G2

G2 was founded in 2012 with the goal of providing unbiased software reviews to businesses at a rate that can keep up with the ever-changing pace of technology. The review site receives more than 60 million visitors each year and houses more than 1,500,000 reviews for over 100,000 software products and professional services. For more information, please visit www.g2.com.

About Square 9 Softworks®

At Square 9, we simplify common business tasks with enterprise content management, document capture, web forms, and business process automation tools that can be easily adapted to automate any paper-intensive process. That means you can spend less time on monotonous tasks and more time on growth and innovation. For more information, please visit www.square-9.com.
