Square 9 Softworks Secures Top 10 Spot in G2's 2024 Best Software Awards

This Prestigious Award is Earned by Less than 1% of G2 Products

New Haven, CT. February 20, 2024 – <u>Square 9 Softworks</u>, a leading provider of an Al-powered Intelligent Document Processing Platform, has recently been recognized as a <u>Best Software Awards Winner for 2024</u> on G2, securing a top spot in the Content Management Products category.

As a leading software marketplace, G2 is visited by 90 million software buyers each year. Its annual Best Software Awards rank the world's best software companies and products based on authentic, timely reviews from real users. Placing in the top spots in these rankings is a prestigious honor earned by less than 1% of vendors on the platform.

"Placing so highly on G2's Best Software list and earning such a sought-after award showcases the level of service and quality our customers feel when engaging with us," says Stephen Young, Square 9 President and CEO. "They are the ones who continue to provide such positive feedback, and we're thankful for each and every one of them."

To find out more about Square 9, its offerings, and what real solution users have to say, visit <u>Square 9's G2 page</u>.

About Square 9 Softworks®

Square 9 Softworks is an industry-leading provider of an Al-powered intelligent document processing platform that takes the paper out of work and makes it easier to get things done! With digital workflows that automate many aspects of how you work today, Square 9 makes it easy by extracting information from scans or PDFs, storing

documents in searchable archives, and building digital twins of your current processes through graphic workflows. For more information, please visit www.square-9.com.

About G2
