

Choose From **3 Distinct Packages** to Meet Your Automation Needs

The Square 9 AI-powered intelligent document processing platform takes the paper out of work and makes it easier to get things done with digital workflows that automate many aspects of how you work today. We make it easy by extracting information from scans or PDFs, storing documents in a searchable archive, and building digital twins of your current processes through graphical workflows.

Process Automation Essentials

\$50.00

1 User License Per Month*

Starts at 5 Users

Square 9 Process Automation Essentials delivers the tools you need to begin your digital transformation with solutions for Accounts Payable, Accounts Receivable, Human Resources, and Contracts Management. Or Square 9 can help build your own custom application design based on your individual industry needs.

Digital Transformation Essentials

\$68.00

1 User License Per Month*

Starts at 5 Users

Square 9 Digital Transformation Essentials allows you to step up your paperless strategy by including all of the features of our Process Automation Essentials and adding intelligent capture automation, web forms and CloudBridge integration services for sharing data with local applications.

Enterprise Transformation Essentials

\$75.00

1 User License Per Month*

Starts at 10 Users

Committed to driving efficiency beyond a single application or department? Square 9 Enterprise Essentials scales to meet the needs of your organization with unlimited workflow and web forms capabilities along with the advanced integration capabilities you'd expect from Enterprise Class Content Management.

**Excludes professional services and implementation fees*
