Customer Story

Square 9 Softworks data capturing saved us hundreds of hours of wasted time!

TR Score **10**

Why Tanya Needed Square 9 Softworks

"We were delivering banker boxes to an outside scanning company full of signed delivery tickets to be scanned by one company, uploaded and converted by another company. We needed to eliminate the extra work and have records available to review within a short period of time."

How Tanya Uses Square 9 Softworks

"We are using Square 9 Softworks as a storage solution for our signed delivery tickets. We are able to scan the documents inhouse for quicker turnaround and visibility."

What Tanya Likes Most About Square 9 Softworks

"The team at Square 9 Softworks has been great at helping resolve the capturing and storage process our division needed to maintain our delivery tickets. They have offered us a solution to manage the documents as well as a search engine to find the requested proof of delivery when requested, regardless of where the end user is physically located."

What Tanya Has Achieved With Square 9 Softworks

"Using Square 9 Softworks has eliminated the hundreds of banker boxes that were being transported to an outside service to scan the documents for us. This has also allowed us to take ownership of scanning the documents ourselves for daily upload and quick visibility."

Tanya's Advice

"Through the process the implementation team helped answer questions and train where needed. When our project time ended, they continued to help finish the project to meet our needs."
