## Square 9 Guide Tackles Information Challenges for C-Stores

Discover powerful competitive advantages that are fueling efficiency  
amidst a growing industry

**New Haven, CT. August 21, 2025** – [Square 9 Softworks](#), a leading AI-powered intelligent information management provider, has released an expert guide to help convenience stores overcome the challenges of managing information. The fuel and convenience industry is expected to expand by 10.23% by 2028 ([Yahoo Finance](#)). With expansion often comes growing pains, especially as demand volume and site locations increase.

Square 9's guide addresses challenges specific to the fuel and convenience industry, such as managing fluctuating revenue, accessing remote information, and managing vendor and supplier contracts. The guide even offers insights into vetting integrations, managing change, and meeting C-store needs on your search for the right solution.

"C-stores face unique growth challenges that Square 9 is well-positioned to address." Says Square 9 President and CEO Steve Young. "This guide allows us to share our insights as a leader in information management and help growing fuel and convenience chains better understand where AI-driven process automation can take them."

Square 9 Softworks is a trusted and reliable provider of information management solutions for C-stores.

### About Square 9 Softworks®

[Square 9](#) Softworks is a generative AI-powered platform that removes the frustration of extracting data from documents, forms, and all external sources, so you can harness the full power of your information. Release your team from repetitive tasks while your work flows freely in areas like accounts payable, order processing, onboarding, contract management, and more. The Square 9 platform captures your unstructured content, transforms it into clean, searchable data, and securely shares it across your organization to accelerate your decisions and actions.
