

Thinking About **Migrating** to The Cloud?

Discover What Square 9's Cloud Platform Has to Offer

Square 9's Cloud platform offers undeniable benefits to organizations looking to scale, save, and compete within the current business landscape.

Fast and Predictable Savings

With the Square 9 Cloud, costs are consistent, and implementations are easier, allowing you to rely on a fast and effective ROI.

Reduce Upfront Costs

Eliminate capital expenditures on hardware, infrastructure, and licensing while Square 9's Cloud handles updates and maintenance.

Predictable Savings

With monthly or quarterly locked-in pricing, solution costs remain the same so that you can count on your savings for new ventures.

Flexibility and Scalability

Cloud solutions allow your business to scale effectively with new locations and demands, enabling better expansion.

On-Demand Resources

Temporarily adjust your plan to meet fluctuating or seasonal demands and receive more resources at the flick of a switch.

Global Reach

Securely use Square 9 Cloud services from any internet connected device worldwide using any modern browser.

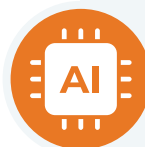

New Tools and Innovations

With Square 9's Cloud, you'll have immediate access to regular updates and innovative tools that take your organization to the next level.

Automatic Updates

Get automatic access to the latest features and security patches to ensure your business remains secure and competitive with new tools and technology.

Endless Innovation

Square 9's Cloud services offer a development-forward approach with cutting-edge AI and machine learning tools to keep you ahead of the competition.

Reduce Liabilities in the **Cloud**

Square 9's Cloud eliminates numerous liabilities from your organization, allowing your team to focus less on compliance and risk reduction and more on the core of your business.

Expert Security

Square 9's expert team invests daily in securing our platform, far exceeding the resources that individual organizations can dedicate.

Complete Privacy Compliance

Square 9 undergoes annual SOC 3 and HIPAA audits to ensure your data remains secure and private beyond industry best practices.

Information Back-Ups

Ensure your information remains safe and accessible amidst a crisis with redundant storage and regular data snapshots.

Uninterrupted Service

Square 9's Cloud maintains 99.999% planned uptime, so you can fully rely on our service whenever you need it.
